ALLISON TANT

FOR FLORIDA HOUSE, DISTRICT 9

Fighting for Leon County's Hardworking Families

So many working families struggled to pay the bills while working two or three jobs—even before the COVID-19 pandemic. That's why Allison Tant will fight to make quality healthcare affordable and accessible for all Floridians.

In addition to fighting for affordable healthcare, Allison will fight to:

Protect our families and communities from COVID-19

Get people back to work safely

Give local teachers the real pay raise they deserve

Ensure local "Main Street" businesses get back on their feet
